Policies for Class Participants

1. Attendance

Attendance is required at all seminars. The success of ALOT and your ALOT experience depend on a 100% commitment by all those involved.

Any late arrivals, early departures, partial or total session absences must be approved by the ALOT Executive Director in advance. It is the responsibility of the class member to make the Executive Director aware of any potential absence. If an absence is not excused by the Executive Director prior to the session, then the matter may be taken to the ALOT Foundation Board of Directors for consideration at their next scheduled board meeting.

2. Program Participation

Participants are expected to participate fully in each session. This participation includes mental alertness, completion of assignments, asking questions and participating in discussions. ALOT depends upon the contribution of time and resources from sponsors, speakers, and alumni. Without the efforts of these individuals, ALOT would not be able to provide the high-quality programming that has come to be expected. Please give them respect by giving them your full attention and participation.

In addition, efforts are constantly under way to improve the ALOT program. Participants are expected to complete seminar evaluations at the close of each session.

3. Dress Code

The purpose of a dress code is to ensure that participants project a professional image. Business Casual (i.e., blouses, skirts, or slacks for women and slacks with sport shirts for men) is the standard dress requirement for all seminars unless otherwise provided by the Executive Director. Additional information regarding the Dress Code will be provided at the first session.

4. Tuition Payment Policy

Tuition for Class XX will be \$5,000 if paid in a lump sum on or before January 31, 2024 or \$5,200 if paid in two installments. If paying in installments, the tuition will be billed in January of 2024 and January 2025 in the amount of \$2,600. Payment for each half of the class must be received before the participant is allowed to attend sessions in that period. No participant may attend the international trip until the final payment has been received. Non-payment of tuition in a timely manner is grounds for removal from the program.

Acknowledgement

I have read the above policies of the ALOT program and agree to abide by them. In particular, I have read the above policy regarding the payment of tuition and agree to make such payments in a timely manner as specified by the payment policy. I further understand and acknowledge that failure to abide by the policies may result in my removal from the program.
